

SAY!

(By CHARLES J. ARNOLD)

Yesterday being the anniversary of my birth, I was, of course, kept pretty busy during the morning reading the many congratulatory letters which came to me on that eventful day.

Among the many received, were the following:

Rockville, Indiana
January 19, 1929

Dear Sir:—
The annual banquet of the Democratic Editorial Association will be held in the Riley Room of the Claypool Hotel in Indianapolis, Wednesday, Feb. 13, at 6:30 o'clock.

Sincerely yours,
RALPH S. HAY, Secretary

From the President of the Durant Motors, Inc., of Detroit, came the following:

"W. C. Durant, today revealed the identity of the new group that has acquired expensive holdings in the Durant Motors, Inc., etc."

From S. W. Straus, president of the American Society of Thrift of New York, came a closely written sheet devoted to the subject of thrift.

And another, from my banker reads:

Dear Sir:—Your account appears to be overdrawn in the amount of _____, etc.

Yours very truly,

J. J. M., of Reelsville writes that he also "suffered" his birthday anniversary on January 21. Incidentally he asks me not to use his name and only signs with his initials, so I am only able to abide by his request. "J. J. M." says he was born in Mansfield, Parke County; Educated in Moore and had the honor of holding down the "foot" position in the singing class during his entire school days. Others strived to take it away, but without result.

A personal visit from Lem Ratcliff of the Central National Bank, who celebrated Monday as his birthday anniversary, was much appreciated.

From far off New York came a booklet of "Birthdays Remedies by City," which included "First Aid" suggestions for the afflicted.

Here they are:
If you feel "cut up" about it—Use adhesive tape.
To "soothe" your troubles away—Use lotion.
To "save" your conscience—Use cold cream.
If you won't feel "hurt"—Use an antiseptic.
If you are "bound" to have "em—Use bandages.
If you have happiness without end.

Then from one of my most admired "old friends" came:
Ain't no use of worryin'
Ain't no use to fuss
BIRTHDAYS, they come reg'lar
To every one of us.
Simply can't escape 'em.
But don't go feelin' blue—
Just think how glad this old world is
That they still come to you.

About the only thing that happened to mar the happiness of the day was that I learned that John Cartwright and Don McLean were circulating a report, which probably was instigated by their guilty consciences, that my type writer was not stolen on my recent trip to Texas, and that I had reported that it was stolen simply to shield myself from a charge of laziness. They even went so far as to offer to make an affidavit that they did not steal my typewriter, but their offer had no takers. Of course there is a question, but I am going to leave it to you, my friends. And should McLean and Cartwright get too "conversational" about this matter I might be able to quiet them down with some "banana oil."

Poor old Wabash. To be defeated in both football and basketball by DePaul in the same school year is a severe blow. But the reverse has occurred many times and we DePaul folks have always managed to pull through.

I tuned in last evening to hear Purdue defeat Wisconsin in basketball at Lafayette but the connection was bad. That is, Purdue's connection with the basket.

LESLIE DEFENDANT IN DAMAGE SUIT

ARRESTED FOR ASSAULT

BEDFORD, Ind., Jan. 21.—Alva Callahan was arrested on a charge of assault and battery with intent to kill after he is alleged to have attacked Henry P. Pearson, secretary of the Citizens Trust Company, on a street here today. Pearson suffered bruises and contusions about the head and face and a fractured rib. Callahan is said to have been incensed at an error in his account made by a bookkeeper at the Citizens Trust Company two years ago. Callahan gave bond and his hearing was set for Jan. 31.

LOCAL KIWANIS TO OBSERVE ANNIVERSARY

ORGANIZATION FOUNDED FOURTEEN YEARS AGO AT DETROIT, MICHIGAN—EXPECT FULL ATTENDANCE AT LOCAL MEETING THIS WEEK

Kiwanis International is celebrating its fourteenth birthday this week from January 20th to 26th. Fourteen years ago a small group of men met in Detroit, Michigan, and organized a service club. Business was good, and trade was extensive, but there was something lacking. It was not a material thing. The group of men who formed the first Kiwanis Club knew that thousands of men in Detroit and all over North America were hungry for the opportunity of rendering human service, a service which would not be recompensed in cash, but in the matchless satisfaction that can come only from being helpful to others. There were things to be done which did not fall properly within the scope of the church, school, or commercial organizations. So it was that Kiwanis was born out of the desire to serve. The motto which was adopted later, "We Build," came out of the thought that it is through genuine service to others that the best things in life are built.

After fourteen years Kiwanis International has more than one hundred thousand members in over seven hundred and fifty communities in the United States and Canada. Each year Kiwanis makes this anniversary week a time for reconsecration to the ideals of the service club movement. It is an occasion for an intensive study of the entire scope of Kiwanis activities. Kiwanis tries to harness the manpower of representative citizens in the solution of community problems. Its major activities are: Good Citizenship; Care for the underprivileged child; An effort to create a better understanding between the farmer and the city man; An effort to raise business and professional standards; And to render vocational guidance to the young people of the community.

The Greencastle Club will observe Anniversary week with an effort to have one hundred percent attendance of the membership at the regular meeting Thursday noon at the Christian Church. There are 48 members in the local club.

ARRESTED AS ARMY DESERTER

Charles Murphy, north Greencastle young man, was taken into custody by Marshal Paul Grimes Monday as an Army deserter and was delivered to Army authorities at Fort Benjamin Harrison at Indianapolis, Tuesday, by the officer.

Officer Grimes was notified Monday by a government poster that Murphy was a deserter and his arrest followed. Officers receive \$50 for delivering Army deserters to the nearest Army post.

Murphy is said to have deserted the Army last May in Wyoming. Desertion is a federal offense and means a term in a federal prison.

DELINQUENT TAX LIST PUBLISHED BY TREASURER

MANY PIECES OF PROPERTY ARE LISTED FOR SALE THAT WILL BE HELD FEB. 11

| \$1010.50 | HIGHEST | AMOUNT |
|---|---------|--------|
| Large Number of Properties in Greencastle—Number Is Below Average For State | | |

Alva E. Lisby, county treasurer, announced that the annual delinquent tax sale will be held at his office in the Putnam county court house on Monday morning, Feb. 11 at 10:30 o'clock.

A total of 130 pieces of property are described in the list published in The Herald Monday afternoon. Of these, 30 are within the city of Greencastle. Of the 30 in Greencastle, 17 are listed for non-payment of Barrett law public improvement assessments.

The total amount that will be collected at sale, including the costs and the current taxes in addition to the actual delinquencies, providing all of the pieces of property are sold, will be several hundred dollars.

The largest sum listed against any one person is \$1,010.50 while the smallest is \$3.83. Both of these are outside the city of Greencastle.

Many of the pieces of property will be taken from the list between now and the date for the annual tax sale by property owners who wish to avoid the expense of paying the added penalties that accrue after the sale. The regular delinquent tax penalty however, must be paid.

The amount of delinquent taxes in Greencastle this year is somewhat smaller than that of last year. It is pointed out by local taxing officials that the total for Greencastle is far less than that of most other cities in the state of approximately the same size.

P. T. A. STUDY OF INTEREST HERE

Greencastle Parent-Teacher workers will be interested in a recent study of Parent-Teacher association work in Indiana which has been completed by Mrs. Edna Hatfield Edmondson, of the Indiana University extension division. Mrs. Edmondson is executive secretary of the Indiana Parent-Teacher Association.

The study shows that at the present time there are 449 Parent-Teacher associations in Indiana with a membership of 29,397. In October, 1919, there were 50 associations in the state with 1,054 paid members, which, according to Mrs. Edmondson, shows that the greatest period of growth of the state association has been since 1919.

"The Indiana Parent-Teacher Association was organized in Indianapolis June 7, 1912, as the Indiana Congress of Mothers and Parent-Teacher Associations, a branch of the National Congress of Mothers and Parent-Teacher Associations," says Mrs. Edmondson. "Previous to this time there were a number of parent-teacher associations in various parts of the state. Although there are no authentic records as to the extent or dates of these local associations there were a number in existence, one at least dating its founding back to 1894."

According to Mrs. Edmondson's study, the state association was recognized in 1919 and its name changed to the Indiana Parent-Teacher Association and it was incorporated under the laws of the state of Indiana for a period of 50 years.

Bernard Shinn was operated on at the county hospital Tuesday morning. Dr. John Carmack assisted by Dr. W. M. McGaughey performed the operation.

BORN LEGLESS, CHILD WILL BE REMADE

CHICAGO, Jan. 21.—(INS).—A baby girl, born legless and with only one arm, will be entirely "remade" by modern science. Dr. Henry Bascom Thomas, professor of orthopedic surgery at the University of Illinois College of Medicine, announced today.

Two artificial legs and an artificial arm, equipped with wires attached to little loops of permanent skin will permit the child to control muscles and actually walk, eat, write and perform other acts of a normal child, Dr. Thomas declared.

RUSHVILLE TO BE PLAYED ON WEDNESDAY NITE

TIGER CUBS TO MEET LIONS IN THEIR OWN LAIR IN MID-WEEK TILT—GAME CHANGED FROM FRIDAY NIGHT—HAVE IMPRESSIVE RECORD

Greencastle high school's basketball game with Rushville this week has been changed from Friday to Wednesday night, according to an announcement of high school officials Tuesday morning. Rushville is staging a county tournament this week end and a special dispensation of the I. H. S. A. A. Board of Control permits the mid-week game.

Moving the game two days ahead may work a hardship upon the Tiger Cubs but the team nevertheless expects to bring back a victory. By tomorrow night the Cubs are expected to have fully recovered from the two stiff encounters with Bedford and Attica last week end.

Past records this season indicate that the Tiger Cubs and the Lions will be evenly matched in their only game this year. Recently the Greencastle five, coached by Frank Pruitt, nosed out Rushville, 31 to 29. It took a double overtime for the Greencastle five to beat the Cubs on the Greensburg floor early in the season.

Greencastle's impressive defeat of Attica Saturday night would indicate the team has staying power and thus are quite capable of another game this Wednesday night. Showing a complete reversal of form, the Cubs now appear to play their best game in the second half, rather than in the first half as they did against Crawfordsville, Martinsville and other strong teams.

COMMISSIONER IS DEAD

LAFAYETTE, Ind., Jan. 21.—Samuel C. Jackson, 72 years old, elected commissioner from the Second district of Tippecanoe county last November, died of pneumonia this morning. He had been sworn into office, but was never able to attend a meeting of the board.

PUTNAM COUNTY CREDIT ASSOC. NAMES OFFICERS

RUSSELL E. BROWN ELECTED PRESIDENT OF ORGANIZATION FOR COMING YEAR AT BANQUET

MCCOY URGES ADVERTISING
Report Shows \$268.55 In Association's Treasury—Round Table Talks Feature Meeting

Election of new officers for 1929 and round table talks by the new officers and various members, featured the annual banquet and election of officers of the Putnam County Credit Association at the Presbyterian Church Monday night.

On the recommendation of the nominating committee consisting of J. F. Cannon, A. J. Duff and J. E. McCurry, the following new officers were elected:

President—R. E. Brown.
Vice president—Jacob Eitel.
Treasurer—Joe Bamberger.
Directors—Albert Dobbs, Otto Smythe of Cloverdale and Milton Brown.

Forty-six members of the association attended the banquet. No speaker had been engaged but members and new and retiring officers of the association discussed various matters and made suggestions in round-table talks. Those who talked included Harry Allan, retiring president; R. E. Brown, Joe Bamberger, Miss Helen Black, A. G. Brown, Fred L. O'Hair, R. P. Mullins, Jesse McCoy of Cloverdale, Mr. Miller of Roachdale, Mr. Hollowell one of the new Chevrolet dealers in this city; H. A. Sherrill, and all the new officers.

Mr. McCoy in his talk on the value of advertising, told the members that he had found that advertising pays. His collections this year were not so good, he said, as last year when advertisements were run in county papers urging that bills be paid promptly the first of each month. He stated he believed advertising was a decided benefit and well worth the expenditure.

Various suggestions of value to the Association were made by the other speakers. R. E. Brown suggested that prizes be offered high school boys and girls for collection letters.

The treasurer's report showed there was a balance of \$268.55 in the Association's treasury. Total receipts of the year, including the balance left from last year, was \$1,124.69, while total expenditures were \$856.14.

BRIDGES HELD IN LOCAL JAIL

Robert Bridges, age 66 years, of Russellville, who was discharged from the County Hospital Sunday after recovering from injuries suffered in a mysterious manner at Russellville some time ago, is being held in the County Jail for questioning regarding the manner in which he suffered the injuries. Bridges will be taken to the County Farm after officers question him.

Bridges, when brought to the hospital in an ambulance, was in a serious condition. It was said at that time that he was hurt when he fell from a chair. Bridges, however, has said the injuries resulted from a beating by another person.

He recently was sent to the State Farm for intoxication. It is said he was intoxicated when injured.

WEATHER FORECAST

Rain, turning to snow tonight, followed by generally fair weather Wednesday, colder. Cold wave Wednesday and West portion late tonight. Temperature from zero to ten above South portion. Fresh to strong northwest winds.

BULLETIN

BELLEVUE, Ohio, Jan. 22.—Seventeen persons were known to be dead following a crash two miles east of here this afternoon when a Greyhound motor bus was demolished by a Lake Shore electric car. The accident happened in the thick of a heavy snowstorm. The driver of the bus was believed to have been blinded. Of the known dead thirteen were men and four were women. Many of the injured were expected to die, it was said. Some of them still were in the wreckage early this afternoon.

SHERIFF GETS BOOZE CAR- AND THE BOOZE

ABOUT SEVENTY-FIVE GALLONS OF SUGAR ALCOHOL CONFISCATED WHEN CHRYSLER COUPE OVERTURNS NORTH OF CLOVERDALE — BELONGS TO CLINTON MAN

Sheriff Edward Eiteljorge is in possession of a 1928 model Chrysler "65" coupe, slightly damaged, and about seventy-five gallons of sugar alcohol, as the result of the upset of the booze car north of Cloverdale on State Road 43, early Tuesday morning. According to the certificate of title the car belongs to Irvin Moore, Blockman street, Clinton. The license numbers of the car, however, were issued for a Ford car.

The Sheriff was called to Cloverdale about 10 o'clock Tuesday morning by Grover Pratt. The car, which evidently went into the ditch as a result of the icy roads Tuesday morning, had turned turtle and was lying on its top in the ditch, three-fourths of a mile north of Cloverdale.

The Sheriff confiscated fifteen 5-gallon cans and three 1-gallon cans of alcohol. Two 5-gallon cans had been punctured and were emptied by the Sheriff on the ground. The Sheriff found two revolver cartridges in the car. The alcohol had been carried in a compartment under the seat.

It is believed the run-runner escaped in another car which was accompanying him. The sheriff is holding the Chrysler coupe which under Indiana liquor laws is confiscated by the authorities, along with the booze.

INJURED WHEN MACHINE HITS FREIGHT TRAIN

INDIANAPOLIS COUPLE DEMOLISHED CAR BUT NOT SERIOUSLY HURT AT BAINBRIDGE MONDAY NIGHT—TAKEN TO INDIANAPOLIS

An Indianapolis couple, believed to be Mr. and Mrs. C. E. Wilkinson, suffered minor injuries at the Monon railroad crossing of State Road 43 in Bainbridge about 9 o'clock Monday night when their auto, going east crashed into a stationary Monon freight train on the crossing.

Although the automobile, said to have been a Marmon, was practically demolished, the couple had only minor injuries according to Dr. W. D. Conn who attended them. They were taken to Indianapolis by Wilbur Priest, a garage man of Bainbridge.

PETITION FOR CITY MANAGER

TERRE HAUTE, Ind., Jan. 22.—(INS).—A petition containing seven thousand names was on file in the city clerk's office here today asking a special election to decide whether Terre Haute shall adopt the city manager form of government. The document was presented by Russell Aliem, who headed the committee which includes Bruce Binkley, W. S. Strong, Mrs. B. B. White and Mrs. W. G. Clark as co-workers.

OTTO GRESHAM FILES ACTION FOR \$50,000

THIRD SUIT OF CHICAGO ATTORNEY AGAINST INDIANA EXECUTIVE FILED AT INDIANAPOLIS

SUIT ATTACKS SUPREME COURT

Result of Alleged Leslie Action As Speaker of House of Representatives In 1927 In Refusing Petition Of Gresham

INDIANAPOLIS, Ind., Jan. 22.—(INS).—Governor Harry G. Leslie was made defendant in a suit for \$50,000 vindictive damages filed in Federal Court, southern district, here today by Otto G. Gresham, lawyer of Chicago and Indianapolis.

It was the third action of its kind brought by Gresham, as the result of the alleged refusal of Leslie, as speaker of the House of Representatives in 1927, to allow Gresham to file a petition for a legislative investigation of Marion County courts and the impeachment of Judge James A. Collier of the Marion County Criminal court. A complaint similar to the onea filed here today was pending against Leslie in the Northern Indiana district court and another complaint against Leslie and Representative J. Glenn Harris, Rep. of Gary, was also pending at Hammond.

The suit alleged that Leslie deprived Gresham of his constitutional rights by refusing to consider the petition.

Gresham's suit today added an attack upon the State Supreme Court for ruling that the Legislature cannot impeach a circuit judge as expressed in a recent decision concerning Circuit Judge Clarence W. Dearth of Muncie.

"The power to impeach a corrupt or unjust judge, lodged in all of the legislatures by the American constitution is the greatest bulwark for the preservation of the rights, privileges and immunities of the citizens of the United States," the complaint said. "The plaintiff says that with its powers, as enlarged by the Fourteenth Amendment to the constitution of the United States, the power to impeach a corrupt judge was and is now in the Indiana Legislature, any color or law or decision of the Supreme Court to the contrary notwithstanding."

TO ELECT NEW COUNCILMAN

The city council tonight will elect a councilman to succeed Frank Allee, deceased. Owing to the fact that the councilman named tonight will have only a short time to serve, not much interest is being manifested in the election. The new councilman will be from the Fourth Ward.

The election of the new councilman will come at the close of the regular meeting tonight.

RUBY SPENCER, ACTRESS, FILES SUIT FOR DIVORCE

Ruby Sue Spencer, Greencastle woman and member of the cast of "My Maryland," now touring the country, has filed suit for divorce in the Putnam Circuit court against Arthur Spencer.

The plaintiff charges the defendant became indifferent soon after their marriage March 17, 1920 and failed to provide for her and her child by another marriage, leading to their final separation December 21, 1927.

The plaintiff gives her home address as 10 Larabee street. Hays & Murphy are her attorneys and Chas. McGaughey is attorney for the defendant, who has filed an answer denying every allegation in plaintiff's complaint.

CHICAGO MILK WAR CALLED OFF AT CONFERENCE

FARMERS DESTROY TOTAL OF 270,000 POUNDS OF MILK DURING DAY MONDAY—RELIEVES ACUTE SHORTAGE IN CITY

CHICAGO, Jan. 22.—(INS)—Chicago's milk strike was called off today following an all night conference between representatives of the pure milk association and officials of the dairy companies.

The conference was called and presided over by Dr. Arnold Kegel, Health Commissioner of Chicago. Peace terms are to be worked out at a second conference in Dr. Kegel's office later today. The object of last night's meeting was to win both sides to the idea of arbitration.

Dr. Kegel received the promise of full co-operation from both parties to the dispute. Assurances were given that there would be no shortage of milk in the city. Although it was predicted that one to ten days would be required to get the plants that closed down into full operation.

There will be no further interference by farmers with milk shipments to local distributing plants, it was agreed. All animosities to the strike will be buried.

A one-cent check-off at the plants, to be turned in to the Pure Milk Association Fund, was one item agreed upon. This means that the farmers will be paid one cent less than the price fixed at today's conference.

As a second precaution to insure peace, it was agreed that, should today's arbitration meeting fail to reach a compromise on price and iron out other difficulties, further arbitration negotiations will be carried on before a duly authorized commission.

The farmers are asking \$2.85 per hundred weight, which is 35 cents above the present rate of \$2.50.

The situation had become so grave yesterday that Governor L. L. Emerson called a conference for today at Springfield at which Senator Richard Barr of Joliet and a representative of the farmers was to be present. The Governor's plan was to name an arbitration committee.

The milk war reached a climax last night several hours before Dr. Kegel's peace meeting got under way. At Lake Villa, near Waukegan Ill., several hundred farmers, armed with axes and sledge hammers attacked two Soo line trains, seized 140,000 pounds of milk enroute to Chicago and poured it over the ground. The milk had been shipped from Wisconsin farms.

This brought the total of milk destroyed during the day to 272,000 pounds.

UNIVERSITY HEAD QUILTS

ANN ARBOR, Mich., Jan. 22.—(INS)—A polite and carefully worded note of regret, described as embodying "all that the public needs to know," was the only statement forthcoming today from regents of the University of Michigan, who last night accepted the resignation of Dr. Clarence Cook Little as President of the institution.

Dr. Little's resignation was in the form of a brief letter in which his first reason for resigning was considered the most significant. It said: "Because my methods of handling situations dealing with interests of private donors, political interests, local interest and alumnae interests are not consistent with policies the Board of Regents deems wise."

The regents met behind closed doors in a sound-proof room. They emerged from the meeting room with the collective statement "We have nothing to say."

SOUTH BEND, Jan. 22.—(INS)—A \$100,000 fire early today devastated a downtown business block here. The flames broke out in the Hollywood candy kitchen and spread to adjoining buildings.

RETURNS FROM TRIP TO MAYTAG FACTORY

E. C. Thomas of Greencastle has just returned from Newton, Iowa, where he visited the factory of the Maytag Company, world's largest manufacturers of washing machines. Mr. Thomas said the trip was by far the most interesting one he had ever taken and told at length about some of the operations in their mammoth manufacturing plant.

Newton, Iowa is a small town of about 12,000 population but over 1,800 of these people are employed in the Maytag washing machine factory. Probably one of the most interesting things Mr. Thomas told us about was the aluminum foundry which is one of the largest in the world and in which are made the cast aluminum tubs of the Maytag washer. It is considered as the world's most modern aluminum foundry. In it each month approximately two million pounds of aluminum are melted. The workmen's conditions are ideal and every convenience is provided them.

Mr. Thomas reported that the factory is turning out over 1,250 machines per day and that The Maytag Company has just recently moved into their large six story factory addition, which is capable of handling an output of 2,000 machines per day. A new grey iron foundry has just been completed which, in addition to their previous equipment, is the most modern and completely equipped foundry of its kind in the United States. Modern machinery is used throughout, practically all the heavy work being handled by automatic equipment. The entire factory has a floor space of over thirteen acres.

"One thing which impressed me very much," Mr. Thomas said, "was the exacting requirements which prevailed throughout the factory. All important measurements were made by micrometer gauges and every individual part is subjected to a very rigid system of inspection."

The Maytag Company produced over one-third of all the washing machines made in the world and for the past four years they have maintained the position of world's leader-ship.

SOCIETY

Value Of Health Pointed Out To Parent Teachers

At the High School Parent-Teachers' Association meeting Monday night, a splendid health program was given by the eighth grade boys, assisted by their teacher, Samuel Hanna. A regular period of class work was given in general science with the lesson dealing with proper ventilation for the home and school. This showed why the body needs plenty of fresh air. This was followed by a film portraying the benefits to be derived from a physical examination to find hidden defects. This film was very instructive to parents as well as children. The film showed how the body could be compared to the mechanical parts of an automobile. Since it is necessary for the car owner to be on constant watch for mechanical trouble so it is necessary for a person to watch the body.

After the film was shown the crowd adjourned to the gymnasium where the same boys gave an exhibition of school gymnastic exercises. These exercises tend to develop all parts of the body. The boys also played several games showing the benefits to be derived from properly supervised games. After the demonstration the hostess committee served the boys with home-made cake and candy.

A short business session was held which emphasized that the work of the P. T. A. is that which is of the best interest to the children. Plans were discussed which are expected to lead to keeping the library open during the noon hour to enable children who stay downtown at noon to have access to the library.

Plans were presented to have an evening of entertainment at the March meeting.

The meeting was well attended and more members were present than at any previous meeting the past year.

December 11—Hostess, Mrs. Orville Everman. Leader, Mrs. Fred Sturgeon.—Crawfordville Review.

Mrs. Thomas Gave A Chinese Party

Mrs. Fred Thomas entertained the members of the Pleasant Hour bridge club at her home Tuesday afternoon, with a luncheon bridge. The appointments were carried out in Chinese. Lighted lanterns were used throughout the house and Chinese table cloths decorated the small tables. Place cards were miniature Chinamen. A centerpiece of sweet peas and Chinese fans was used on each table. Covers were laid for sixteen and chop suey was served.

Guests besides the club members were Mesdames O. J. Stewart, Kimb Gardner, J. A. Throop, W. E. Bausman, Harry Moore and Cleye Thomas.

GAS TAX BOOST IS CONSIDERED

INDIANAPOLIS, Jan. 22.—(IS)—A proposed increase in the gasoline tax from 3 to 4 1/2 cents a gallon was under consideration of the roads committee of the House of Representatives here today.

The gas tax increase bill was introduced by Representative Lewis Carter, Rep., of Salem. It would raise 1 cent to cities and towns and the remaining 3 1/2 cents to the State Highway Commission for roads. It would increase the revenue of the Highway Commission about \$5,000,000 annually, it was believed.

Both Ed Jackson and Governor Harry G. Leslie recommended the revenue of the Commission be raised by from \$5,000,000 to \$5,000,000 a year.

U. S. MISSIONARY FATALLY SHOT

LONDON, Jan. 22.—(INS)—The body of the Rev. Henry A. Bilen, American missionary slain in a desert attack by Arabian Wahabi tribesmen, was at Basra, Iraq today when funeral services will be held. Dispatches from that city stated Bilen was a native of Kalamazoo, Mich. Bilen died half an hour after a Wahabi bullet entered his shoulder and severed his spinal cord. He was enroute from Zuhair to Kowat.

TO REMOVE KING TO SEASHORE

LONDON, Jan. 22.—(INS)—Physicians attending King George VI decided he should be removed to seashore to get the advantages of sea air, it was officially announced at Buckingham Palace today. The monarch continues to gain in strength though his weight has not increased with his constitutional progress.

PRIMARY REFORM IS NONPARTISAN

Senators James P. Davis of Kokomo and Andrew E. Durham of GreenCastle and Representative Joseph J. Rice of Attica should be more than willing to help to get rid of the direct primary method of making congressional nominations in the Ninth district. They can recall, as Democrats, what the primary did to their party a few years ago. It gave them a nominee that even their party committee left to shift for himself. They should be heartily in accord with the position on primary reform their party took in its platform two years ago.

The Republican legislators from the Ninth district, Senators Perry Johnson of Atlanta, Glenn R. Slenker of Monticello and Alonzo H. Lindley of Kingman, along with Representatives Charles Y. Foster of Carmel, Clinton B. Tudor of Oakford, George W. Freeman, Brian Edwards of Lebanon, William W. Rose of Rossville, John W. Guard of Loansport and Newton Bunsenbark of Crawfordsville, are pledged to primary reform. Their party, as one of the reasons for returning its nominees to office, promised the voters that those gentlemen would do their part toward getting rid of the objectionable features of the present method of making nominations.—Indianapolis Star.

THE THEATERS
THE YONCASTLE
History Was Made
When Lovers Met
He fell asleep—while a beautiful woman powdered her nose in preparation for a love scene!
Returning from her boudoir, she found him slumbering on a couch—and the course of history was changed.
The man was Count Pahlen, minister of war to Czar Paul the First of Russia. The beautiful woman was the Countess Ostermann, the charming figure which moved in and out thru the amazing intrigues of the Czar's court a century ago.
Brought back to life in the remarkable film which is Emil Jannings' latest starring picture, "The Patriot," an Ernst Lubitsch production for Paramount, these remarkable characters live once more the events which rocked Europe at a time when Europe had become accustomed to shocks, most of them from the vicinity of Napoleon.
"The Patriot" is from the play of that name by Alfred Neumann and was adapted to the screen by Hans Kraly. Florence Vidor portrays the Countess Ostermann and Lewis Stone plays Count Pahlen. Pahlen keeps a love tryst with the countess one night when he is worn out with many days and nights of work. Waiting for her to come to him, he falls asleep and the Countess finds him. A note sticking from the cuff of his coat excites her curiosity. She reads it—and discovers that a plot is on foot for the murder of the Czar. "The Patriot" is the current attraction at the Yoncastl theatre.

CHAPEL SERVICE HONORS VISCOUNT SUTEMI CHINDA
Chapel in Meharry Hall Monday morning was conducted in memoriam of Viscount Sutemi Chinda, one of a group of four Japanese students who were the first foreigners to enter DePauw. Vice president H. B. Longden gave the address as Chinda was a member of his class and fraternity.
These Japanese students were made janitors, according to Dr. Longden, and their rooms were on the third floor of West College. They were excellent students and entered heartily into student activities.
On Chinda's return to Japan he taught school for awhile and then was made envoy to the U. S. He held many governmental posts before being sent to St. Petersburg, Russia, Washington and the peace conference at Versailles. Later he was stationed in the palace of the Emperor.
In closing Dr. Longden said: "It is a long way from the third floor of West College to the Imperial Palace of Japan, but Viscount Chinda did it."

MADISON CENTER
Everett Ellis of Greencastle was calling on friends in this locality last Sunday.
Andrew Johnson and Scott Irwin are both recovering from severe attacks of influenza.
Robert Irwin has bought a new incubator.
Lester Leonard has purchased the Jouse and lot just north of Center School house and will make that his future home. The York family is now occupying the house.
Mrs. Lottie Dickey of Indianapolis spent a day or two last week with her mother but has returned again to her job in the capital city.
Smiley Irwin is erecting a plant for the manufacture of stock feed. He will be ready to install the machinery soon.
Carey Dillinger and wife of near Cloverdale, were the guests of the latter's parents, Mr. and Mrs. A. J. Johnson, Sunday.
Glen Payne is using Mrs. Lottie Dickey's auto to carry to school the children from the Payne home and the Gardner home.
Dr. R. E. Wood of Rockville held a chicken blood testing demonstration at Marion Wright's last Thursday.
A number of neighbors gathered at the home of Mrs. Eldora Gardner last Friday to prepare wood for Mrs. Gardner to use for fuel. After a few loads were hauled it began raining so hard that the work had to be abandoned.
Hubert Sherman of the Greencastle Hatchery was here last week making arrangements for eggs to be used in his hatchery.
Harley Head is remodeling his wood house.
Miss Amelia Elling was the guest of Miss Etta Head last Sunday.
Mrs. James Rogers is suffering of a very bad case of blood poisoning in the toe of her right foot. The inflamed condition of the toe required the removal of the nail and this operation resulted in blood poisoning.
The Madison Township Farm Bureau had a very interesting and profitable meeting at Center School house last Thursday evening. R. C. Smythe, president of the Putnam County Cooperative Association, was the principal speaker. Apples were served to all present. The Farm Bureau is contemplating an extensive drive for members in the near future.
Olan Head who drives a team at Terre Haute, was badly injured last week when an automobile ran into his team killing one of the horses and throwing him to the pavement. Although he was badly bruised his injuries are not serious. He is a son of Harley Head.
Charles Shields of Terre Haute was calling on friends in this locality last Sunday.

MAPLEWOOD
Jesse V. Ader and family, and Frank Ader and son, Olin, attended an all-day meeting at Palestine church, Sunday.
Mrs. Drew Coffin and family of Coatesville, ate a birthday dinner with her twin sister, Mrs. Alva Gowd last Sunday.
While the Farm Bureau meeting was in session at Center School house last Thursday evening a party of vandals plastered the farmer's machines with mud. The machines were parked at the side of the road in front of the school house.
Mr. Pickens of Greencastle worshipped with the congregation at Long Branch last Sunday.
In and family, Sunday.
Mr. and Mrs. Louis Ramsey are visiting her son and family near Greencastle.
T. J. Browning and family have moved to Greencastle.
Howard Denny and family of Greencastle spent Sunday here with his mother. He reports a wonderful duck hunt while spending the holidays in the south.

"We know our Luckies That's how we stay slender"

EVERY woman who fears overweight finds keen interest in new day and common-sense ways to keep a slender, fashionable figure. Overweight must be avoided. "Better to light a Lucky whenever you crave fattening sweets."

Toasting does it. Toasting develops and improves the flavor of the world's finest tobaccos. Lucky Strike satisfies the longing for things that make you fat, without interfering with a normal appetite for healthful foods. That's why Luckies are good to smoke. Toasting makes Lucky Strike the healthy cigarette for you to smoke.

Many men who carefully watch their health discovered this years ago. They know that Luckies steady their nerves and do not slow up their physical vigor—prominent athletes have gone on record that this is so. They know that 20,679 physicians have stated that Luckies are less irritating to the throat than other cigarettes.

A reasonable proportion of sugar in the diet is recommended, but the authorities are overwhelming that too many fattening sweets are harmful and that too many such are eaten by the American people. So, for moderation's sake we say:—

"REACH FOR A LUCKY
INSTEAD OF A SWEET."

SIX RECTOR FELLOWSHIPS ARE ANNOUNCED

CASH AWARDS OF \$1,200 TO BE GIVEN TO GRADUATE STUDENTS—ANNOUNCEMENT COMES ON BIRTHDAY ANNIVERSARY OF MRS. EDWARD RECTOR

One of the most significant announcements made this year at DePauw University's chapel periods, was one made Tuesday morning regarding six traveling fellowships. The fellowships will amount to \$1200 in cash, and will be given to graduate students for use at any school in the United States or in foreign countries. They will be known as Rector fellowships.

The fellowships, unlike the Rector scholarships, will be available to women students as well as men.

These will be awarded to the men or women graduating from DePauw who seem to the authorities to be the most capable of succeeding in some field of intellectual endeavor and meeting the requirements of some outstanding graduate school.

DePauw university has perhaps had no greater need than the need for this form of encouragement for her graduates. Yet the number of men and women who continue in graduate work is no doubt as large, if not larger, than the number or percentage of graduates from any other school. DePauw has never given fellowships before, excepting those received from other universities which usually require that the recipients teach or work for part of their fellowships. The Rector fellowships are to be given without any provision whatever, excepting that the men and women qualify by their records made at DePauw, for higher study.

The first six Rector fellowships will be given next June, and six will be given every year at commencement time, thereafter.

11-JURY VERDICT IS FAVORED IN ADAMS MEASURE

DEATH OR LIFE IMPRISONMENT FOR PERSONS CONVICTED OF USING DANGEROUS WEAPON IN HOLDUP, BILL THEME

INDIANAPOLIS, Ind., Jan. 22.—(INS)—Bills to increase penalties for Indiana criminals continued to come to the attention of committees of the State Legislature here today.

To make death or life imprisonment the penalty for persons convicted of using or even threatening to use a dangerous weapon in a holdup of an individual, business establishment or a bank was the theme of a bill introduced by Rep. Thad Adams, Rep. of Danville.

Adams also brought forward a measure to hasten jury punishment of crooks by lessening the possibility of a "hung" jury. This bill would permit a verdict of 11 of 12 jurors in a criminal case with death or life imprisonment as a penalty; 10 jurors in all other criminal cases and 9 in civil cases.

Representative Frank E. (Bone Dry) Wright, Rep. of Indianapolis, brought forward a bill to attack the changing serial numbers of stolen cars. His measure would make it a felony with 1 to 14 years imprisonment for removing, altering, defacing or destroying a serial number on a manufactured article.

However, drastic bandit legislation had little success in Senate committees. The Hartzell bill to make the death penalty mandatory following convictions for murder when perpetrated in connection with a felony, 25 years for highway robbery and life imprisonment for injuring anyone in lawless action was reported out of the criminal code committee without recommendation.

This same committee recommended indefinite postponement for the Moorhead bill which would revive the whipping post as punishment for gun men.

TAX FERRET PAYS BACK \$19,120 FEE

ROCHESTER, Ind., Jan. 22.—(INS)—The civil suit against Howard Dubois, Fulton County Republican chairman, for the return of \$19,120.37 for services as a tax ferret was at an end here today after Dubois had paid the entire sum to County Auditor Hugh McMahan.

Dubois said that he refunded the money because of dissatisfaction of many taxpayers with the transaction.

The case involved the employment in 1927 of Dubois as a tax ferret at a 50 per cent fee by the county commissioners of Fulton County. A few days later he turned in sequestered taxes of George Rentschler, a wealthy farmer of this county, who claimed he did not know he owed taxes on some of his Ohio properties. The money was paid to Dubois after it had been appropriated by the county council.

In May, 1928, the transaction was brought to the attention of the State board of accounts. After an investigation the board demanded the return of the money, claiming the payment was illegal.

The reports of the board were turned over to Attorney General Arthur L. Gilliom, who filed a civil suit here demanding that the money be returned.

Martinsville's play last week is typical of Indiana basketball. A leader in Indiana is only king for a day. Hoosier teams leap to prominence in one game and topple into oblivion a few days later.

As the result of play in Indiana last week a decisive shakeup among the Big Ten leaders has taken place. The following seem to be the strongest in Indiana in the order named:

- (1) Bedford.
- (2) Muncie.
- (3) Frankfort.
- (4) Technical of Indianapolis.
- (5) Horace Mann of Gary.
- (6) Delphi.
- (7) Columbus.
- (8) Froebel of Gary.
- (9) Martinsville.
- (10) Franklin and Central of Fort Wayne.

The above teams were picked by H. C. Warren, South Bend sports writer for the International News Service. Mr. Warren goes on to say:

Bedford, high school leader, continued in the role of pace-maker for Indiana by defeating Greencastle, 57 to 29. To the casual observer, a victory over Greencastle does not appear very elevating but this little team has caused anxious moments for the so-called peers of Hoosier basketball this season. Bedford led at the half way mark, 37 to 19. In the last half Miller and Reath of the Stone City quintet engaged in a little basket shooting duel with Masten and E. Crawley. Greencastle defeated Attica, 54 to 42 Saturday night.

Muncie, the state championship quintet, played only one game last week end, defeating Logansport Friday night, 40 to 28. Logansport led at the end of the first half, but the Loganberries could not stop the basket shooting complex of Bob Yohler, Muncie's center. Yohler played havoc with the Logansport defense by tipping in seven field goals on follow in shots.

Frankfort turned in two victories over the week end to establish Everett Case's boys among the Hoosier leaders. Frankfort whipped Technical of Indianapolis Friday night by a 29 to 24 in a hard fought game and defeated Washington of East Chicago for the second time this season, by a score of 36 to 25.

Technical of Indianapolis is weekly gaining the admiration of Hoosier basketball experts. Tim Campbell's boys but a pretty fight against the strong Frankfort crew on Friday night; any team that can hold Frankfort to a 29 to 24 score must be reckoned with. Martinsville discovered this fact on Saturday night by losing a 53 to 26 decision to the capital city experts.

Horace Mann of Gary established itself as cock-o-the-walk in the North ern Indiana high school conference by whipping its closest rival, Froebel of Gary, 35 to 33. Horace Mann upset another big 15 adversary Saturday night in overwhelming Whiting, 40 to 22.

Delphi proved its ability to maintain the gruelling pace set by the cage leaders of the state by toppling Jefferson high of Lafayette, 47 to 36. Delphi led the Oracles, 21 to 11 at the half and rapidly drew away from the downstate contenders in the final half when Crosby and Plugo connected with the meshes from all angles of the floor. Ellis and Crowe kept the Jeff quintet in the running with some pretty basket shooting.

Columbus had little trouble in turning in a victory over Connorsville. The Bulldogs held a 25 to 7 advantage at the half way mark and finished the game on the long end of a 46 to 20 count.

Froebel of Gary, after losing to Horace Mann earlier in the week, came back strong on Friday night and trounced Valparaiso, an old rival, by a margin of 38 to 30.

Coach "Fuzzy" Vandiver's Franklin high school quintet, the only team in Indiana to boast a victory over Bedford, added to its prestige by whipping Washington, 33 to 28.

Central of Fort Wayne scored its eighth and ninth straight victories of the season by toppling Kendallville and Columbia City. Columbia came within a field goal of spoiling

Central's record for the season in the game Saturday night. The Centralites whipped Columbia City 28 to 27.

The Big Ten conference race saw a shakeup last night when Michigan took the Big Ten lead away from Purdue as a result of Wisconsin's defeat of Purdue 31 to 26, at Lafayette. Indiana who fell before the Boilermakers Saturday night staged a comeback last night and walloped Minnesota 41 to 22 at Bloomington.

THE LOWLY CAVEMEN FROM WABASH WON A SECOND VICTORY THIS SEASON LAST NIGHT WHEN THEY DEFEATED STATE NORMAL AT TERRE HAUTE, 29 TO 21.

Varsity and Junior quintets of Greencastle high school are being groomed this week for week end struggles. The Tiger Cubs invaded the fair of the Rushville Lions Wednesday night and on Saturday the Juniors engage in a Junior tourney here with teams from Spencer, Crawfordsville and Brazil.

The sport writer of the Martinsville Reporter attributes Martinsville's defeat by Tech Saturday night to jealousy among the Artesian team members. It seems the regular members of the Martinsville team have become jealous of additional boys who became eligible last week.

Ladoga walloped a second Putnam team Saturday night when they defeated Russellville on the Russellville floor, 32 to 17. Friday night the Montgomery county team defeated Roachdale by a 31 to 35 score.

Roachdale in a Saturday night game at home defeated the Belle Union five 46 to 30. Belle Union has been having a rest as a result of the flu epidemic but is now back in form.

OBITUARY

As the first faint gleams of light sent their mysterious, flickering dancing rays across this old universe of ours, the great Father of all things, looked down from his majestic throne upon his children here below, and saw fit that the Pale Horse and his faithful rider should enter our community, and wait away the spirit of one so young, so tender, so innocent and so dearly loved by her neighbors, friends and community.

Madonna, the only daughter of Chauncey and Anna Collins Masten, was born Aug. 24, 1911, departed this life Jan. 10, 1929, at the premature age of 17 years, 4 months, 16 days, after a lingering illness of almost 5 months. Her early life was spent as that of most children and she received her education in the Stilesville and Belle Union Schools, having attained the rank of sophomore in the last named school. She was very devoted to her school work and loved her class mates and teachers, who in return were very much attached to her and spoke highly of her and her smiling and lovable disposition.

She had never affiliated herself with any church but was a believer in the Christian faith and made all arrangements in regard to the last rites of respect to be paid by naming the minister and undertaker of her choice.

Being taken so young in the bloom of youth to us is a mystery but loving hands did all that could be done and medical skill was exhausted in her behalf, but the inevitable came as it must come to all of us sooner or later and she has answered God's call to come and dwell with him, thus may we resign ourselves to Him who is the creator of all mankind and say our Master said: Thy will be done.

She leaves to mourn her loss a heart broken father and mother, grandmother, grandfather, three aunts, three uncles, and a host of relatives and friends who are deeply stirred and saddened at her premature demise.

She was young and yet so tender, Tho the earth and all its splendor Disappears from out her sight, Her's will be the Heavenly light. After all she's paid the debt, And her friends do all regret That her premise is no more Now she's on God's eternal shore.

Funeral services were conducted by Elder W. E. Gill Sunday morning at the Christian Church, Stilesville, interment in Stilesville cemetery.

CARD OF THANKS

We desire to extend our sincere thanks to all who assisted in any way during the sickness and death of our darling little daughter Madonna. Mr. and Mrs. Chauncey E. Masten.
